Misses Willa Veale and Maggie Connor returned Thursday from Springfield where they attended Normal school this summer. Miss Veale will again teach the Shapley school south of Duval this winter, and Miss Connor will again teach Cross Roads. —Jantha Tribune.

Miss Veale was the interesting correspondent for The News in the Shapley neighborhood last year, and we hope she will write for the paper again when school opens.

Miss Ella Whitsett gave a party Wednesday in honor of her little friend, Miss Alpha Cordz, who is here visiting her from Jasper. It was Miss Alpha's ninth birthday. She and her little friends spent the afternoon playing games. Then they were served with ice cream and cake. Each child was given a puzzle napkin as a souvenir of the pleasant little occasion. —Lamar Democrat.

The Amornas will serve pine-apple sherbet, peach ice cream, and cake Saturday afternoon and evening in The Jasper News office. The purpose of the sale is to increase the piano fund for the church. Come one and all, enjoy a delicious dish and help the cause.

The News is informed of the marriage of Essie Hale and John L. Wright of Golden City. Miss Hale is a daughter of Robert Hale and she who formerly lived in Jasper but are now living on a farm several miles northeast. Mr. Wright is not known here.

W. E. Deardorff visited Joplin last week to see the new city market building there. He says Joplin now has an up-to-date market place with every convenience for the farmer to dispose of his produce.

The News received an order this week for a year's subscription to the paper for Guy Chapman at Marionville. We understand Guy has established a racket store there.

A bevy of pretty girls visited the family of M. L. Arner last week. They were Misses Maude and Leah Arner of Bethel, and Fay Berry and Blanch Duncan of Lamar.

Miss E. Louise Johnson, connected with the medical department of the Philadelphia public schools, visited her sister, Mrs. J. N. Marsh, the past week.

Fine rains were general over Jasper and Barton Counties last Friday and Saturday, making corn prospects brighter and cheering folks up greatly.

Miss Louise Hughes, who has been employed in the office of the Golden City Tribune the past four months, returned to Jasper Monday.

This is the Time of Prosperity and Plenty

However, we haven't found ourselves overburdened with prosperity and we think we know why. Now we are going to let you in on the secret. We have decided that our customers who pay cash (or settle their accounts regularly) are just about sufficient to keep us in business and feed our customers who don't pay their accounts. We don't like that way of doing business so are going to change it. We want those who owe accounts of long standing to at least come in and see us. We want to talk it over with you anyway. Now we are going to get personal in this matter if you don't do something. We think we have been very lenient with you. Some of your accounts have been open for a long time and we see no reason why you should not have the money now. We try to handle the best we can buy; give you good service and courteous treatment, and we are going to insist on you treating us the same. So come in and see us as soon as you can conveniently.

Jerry N. Taylor News.

Dear Friends:

I presume you all saw my booth at the Fair and saw the large list of goods that I am going to give away free. If you did not, call at the store, as they are here on exhibition. A \$60.00 Banner Quality Range, \$30.00 Border Queen Kitchen cabinet, \$10.00 iron bed, \$10.00 mission clock, \$5.00 Leggett & Platt bed spring, \$1.00 rocker, \$2.50 rocker, \$2.50 administer rug, rug total \$125.00.

I gave each and every one who registered their name at my booth a free coupon which entitles them to a chance on these goods to be given away absolutely free. Now then I am going to give a coupon with every dollar purchase at the store. This drawing comes off on November 15, 1914. I am also conducting a big cut price sale on furniture, carpets, rugs, everything except Quality ranges.

You will notice in the Press who won my prizes. All the Banner Quality people come in, I want to pay you what I owe you. The judges say it was the best bunch of cakes and bread they ever went up against, and every one of them was a winner, not a bad cake or loaf of bread in the bunch. It certainly showed the superiority of the Banner Quality cake and bread.

I took a Banner Quality range to Avilla the other day to Edward Lindley. Mr. Lindley says he is not as wealthy as some people, but he has a home and it is paid for, he has as good a woman as any man has, and I know he has as big a heart as any man, and he says he wanted his wife to have the best range on earth, and after a thorough investigation, he found that the Banner Quality was the stove he wanted, because he had seen them in use and heard so much about them, so Mrs. Lindley today is using a Banner Quality, America's very best.

I also want to call your attention to the list of people that drew prizes. As you will notice they are the people of the community who believe in having the best and that is why they bought Jerry N. Taylor's Banner Quality range.

Yours truly,

Jerry N. Taylor, Carthage, Mo.

P. S. Your Uncle Sam's place of business is still opposite me.

N. B. Your Uncle Sam and I were at the Fair. He said he could not get to shake hands with every one, but I should tell you all "Hello."

X. Y. Z. Do not forget my profit sharing plan, as someone is going to get a nice present without any extra charges. Come in and see the goods and let us explain to you. I took a two spool sewing machine out by Jasper yesterday. Come in and see the greatest thing in sewing machine construction, as it is the wonder of the world.

Yours truly
Jerry N. See.

Infection and Insect Bites Dangerous

Mosquitoes, flies and other insects which breed quickly in garbage pails, ponds of stagnant water, barrels, musty places, etc., are carriers of disease. Every time they bite you, they inject poison into your system from which some dread disease may result. Get a bottle of Sloan's Liniment. It is antiseptic and a few drops will neutralize the infection caused by insect bites or rusty nails. Sloan's Liniment disinfects Cuts, Bruises and Sores. You cannot afford to be without it in your home. Money back if not satisfied. Only 25c at H. F. Pitts.

The Little Old Town

There are fancier towns than the little old town,
There are towns that are bigger than this;
And the people who live in the tinier town
All the city contentment may miss
There are things you can see in the wealthier town
That you can't in a town that is small—
And, yet up or down,
There is no other town
Like our own little town after all.

It may be the street through the heart of the town
Isn't long, isn't wide, isn't straight;
But the neighbors you know in your own little town
With a welcome your coming await.
On the glittering streets of the glittering town,
By the palace, pavement, and wall,
In the midst of the throng,
You will long, you will long,
For your own little town, after all.

For it isn't by money you measure a town,
Or the miles that its border extends;
For the best things you gather, whatever the town,
Are contentment, enjoyment and friends.
If you live and you work and you trade in your town,
In spite of the fact it is small,
You'll find that the town,
That your own little town,
Is the best little town after all.
